## Wash Tour Stops:

### Pelican Car Wash & Lube

Pelican Car Wash & Lube is owned by Rich Bokman and family. It features an exterior tunnel, lube and detail center. In 2022, it was voted Best Car Wash in Hackensack. It features Belanger, Vacutech vacs and NCS chemical.

### Micrologic Associates

Founded in 1999 by Miguel Gonzalez, a former NYSE software engineer, in order to develop point-of-sale systems for the parking industry. When a parking customer approached him about putting a POS in his carwash Gonzalez took the ball and ran with it. Today, Micrologic Associates is a leading provider of management systems for the carwash and quick lube industries. The company moved into their new headquarters in Parsippany in 2022.

### Pop's Place

Founded by cousins Erion and Spyros Lenas, this funky hot dog joint features an array of favorites sure to please. The name pays tribute to the head of the family, Pop, who was a role model, mentor and friend who taught the family that, "there are no shortcuts in life and only hard work will get you there."

### Soaring Car Wash of Pompton Lakes

This brand new express site in Pompton Lakes is owned by Erion Lenas and family. It boasts free AutoVac vacs, DRB controls and MacNeil/NCS equipment.
